

8th SGH Breast Pathology Course 3-4 November 2017

Scientific Program:

Differential Diagnostic Challenges in Breast Pathology

About the Course:

We are delighted to announce the 8th SGH Breast Pathology Course (3-4 November 2017) which will be held in conjunction with the Asian Breast Diseases Association (ABDA) Annual Scientific Meeting (4-5 November 2017).

Our 2 day breast pathology fiesta promises an exciting array of breast pathology cases which can be enjoyed through conventional light microscopy as well as via digital microscopy. Lectures incorporate common and recurrent diagnostic challenges in breast pathology practice.

This year, we are honoured to have the Nottingham breast pathology faculty (Prof Ian Ellis and Prof Emad Rakha) joining us. We are also very pleased to welcome Dr Kimberly Allison from Stanford University as faculty.

Enlightening and informative lectures include:

Dr Kimberly Allison

- *Diagnostic agreement in breast pathology: can we improve?*
- *Updates in breast cancer pathology best practices: be a 'diagnostic oncologist'*
- *What's new and relevant in the AJCC 8th edition for breast cancer staging*

Dr Emad Rakha

- *Papillary lesions – a practical approach*
- *Invasion in breast cancer – the role of the myoepithelial cell and basement membrane*
- *Molecular and immunohistochemical tools in evaluating breast lesions*

Dr Ian Ellis

- *Conquering challenging breast lesions – an expert view*
- *Near misses in breast pathology*
- *Breast pathology EQA – performance issues and digital application*

Prof Ian Ellis Prof Emad Rakha Dr Kimberly Allison

8th SGH Breast Pathology Course 2017 3 to 4 November 2017 Singapore

Microscopy Workshop Participants

(supported by the
International Society of Breast Pathology)

Venue:
Division of Pathology
The Academia, Diagnostics Tower
20 College Road
Singapore General Hospital

Course Directors:

Dr Angela Chong
Dr Puay Hoon Tan

CME credits: 8 points

Registration (Registration starts on 1 April 2017)

Registration Fees

(all fees shown are in Singapore dollars and include GST)

| Category (Please tick accordingly) | | Early Bird Registration (Before 8th September 2017) |
|---------------------------------------|--------------------------------|--|
| Pathologists / Specialists | Day 1 (Microscopy workshop) | Day 1 \$180 |
| | Day 2 (Lectures) | Day 2 \$160 |
| Specialists in training* | Day 1 (Microscopy workshop) | Day 1 \$160 |
| | Day 2 (Lectures) | Day 2 \$140 |

| Category (Please tick accordingly) | | After 8th September 2017 |
|---------------------------------------|--------------------------------|--------------------------|
| Pathologists / Specialists | Day 1 (Microscopy workshop) | Day 1 \$210 |
| | Day 2 (Lectures) | Day 2 \$190 |
| Specialists in training* | Day 1 (Microscopy workshop) | Day 1 \$190 |
| | Day 2 (Lectures) | Day 2 \$170 |

- ❖ Registration fee includes educational materials, coffee breaks and lunch (Vegetarian/Halal).
- ❖ Closing date for early bird registration is **8th September 2017**.
- ❖ For workshop registrants, preview of cases to be discussed will be made available electronically.
- ❖ *A letter of authentication from training programme director / HOD is required for overseas trainee pathologists.
- ❖ Please note that photographs may be taken during this event for publicity purposes.

Friday, 3 November 2017
8:30 am – 5:30 pm: Microscopy Workshop

Saturday, 4 November 2017
8:30 am – 5:30 pm: Lectures

Join us for a 2 day breast pathology fiesta!

Microscopy Workshop & Lectures

Participants will be provided with light microscopes and/or virtual microscopy stations to evaluate breast lesions.

Come and join us!

Who should attend:

Practising pathologists, pathology fellows and residents, and clinicians managing breast conditions.
