Scientific Programme:

Nodal T-cell Lymphoma: Navigating Diagnostic Issues and Pitfalls

About the Course:

We are pleased to have Dr Ayoma Attygalle as our invited expert pathologist this year for our 2nd haematolymphoid pathology workshop!

This one-day workshop will allow participants to be exposed to a variety of haematolymphoid pathology cases related to this year's theme. Participants will enjoy the cases through light microscopy and digital microscopy, as well as lectures on approaches to and current topics related to nodal T-cell lymphomas.
