

The Virtual Edition

20-22 October 2020 | From the comfort of your home or office

Free-to-attend
CME and CMTE accreditation hours to be provided

Theme: Empowering every healthcare professional with advanced knowledge and networking skills to improve patient service and care

Organised by

The only multi-disciplinary congress in the ASEAN region for the healthcare and medical laboratory industry – goes virtual!

Dear medical laboratory and healthcare professional,

For the first time ever, Informa Markets and Impact Exhibition Management Co. Ltd. brings you over 50 scientific webinars at Medlab Asia & Asia Health - The Virtual Edition.

Join your industry peers at the only medical scientific event in Asia providing multi-disciplinary education for medical lab and healthcare professionals - to enhance your skills, productivity and quality performance – most especially during these challenging times.

All under one digital platform, you may choose to attend any of these CME and CMTE accredited conferences, free of charge!

This year, not only will you have the opportunity to network with researchers and practice experts, but you will also have the chance to experience the best of science and innovation in the industry.

On behalf of the scientific committee, I look forward to seeing you virtually!

Rejoy Penacerrada
Conference Director

Supporting associations

Informa & IMPACT would like to thank the following local healthcare institutions and regional medical associations for supporting the virtual educational platform aimed towards the development of healthcare professionals.

Call for ePosters

We are delighted to invite you to submit an abstract and publicise your latest research, on-going projects, or innovative works online. This is a unique chance for you to display your research and the latest findings in front of 4,000+ attendees and 200 exhibitors specific to the medical laboratory industry. Your abstract will be published online and can be selected as the best scientific poster for 2020.

Abstracts should be aligned with any of these disciplines or studies:

- Laboratory Management
- Immunology
- Clinical Chemistry
- Clinical Microbiology
- Molecular Diagnostics & Therapeutics
- Haematology
- SARS-CoV-2

Abstract submission deadline: **Friday, 25 September 2020**

Confirmation of accepted abstracts: **Wednesday, 30 September 2020**

ePoster oral presentation & awarding: **Thursday, 22 October, 2020**

Please note that your abstract will be selected based on relevance, best practices, case studies and completeness of the required information submitted. The final decision lies with the organisers.

Only the authors of accepted abstracts will be notified.

Key topics/sessions

• MEDICAL LAB

- Leadership in the midst of a pandemic
- COVID-19 best practices and measures: Taiwan, Vietnam, Thailand, Cambodia
- Disease control and management
- Point-of-care testing in emergency medical services
- Interpretation of laboratory results
- Quality management
- Application of AI and Big data to the medical lab
- ICAP standardisation
- 1-hour vs 3-hour high-sensitivity cardiac troponin algorithm
- NGS for infectious disease
- Updates in antimicrobial resistance
- Thalassemia diagnosis in South East Asia

• IMAGING

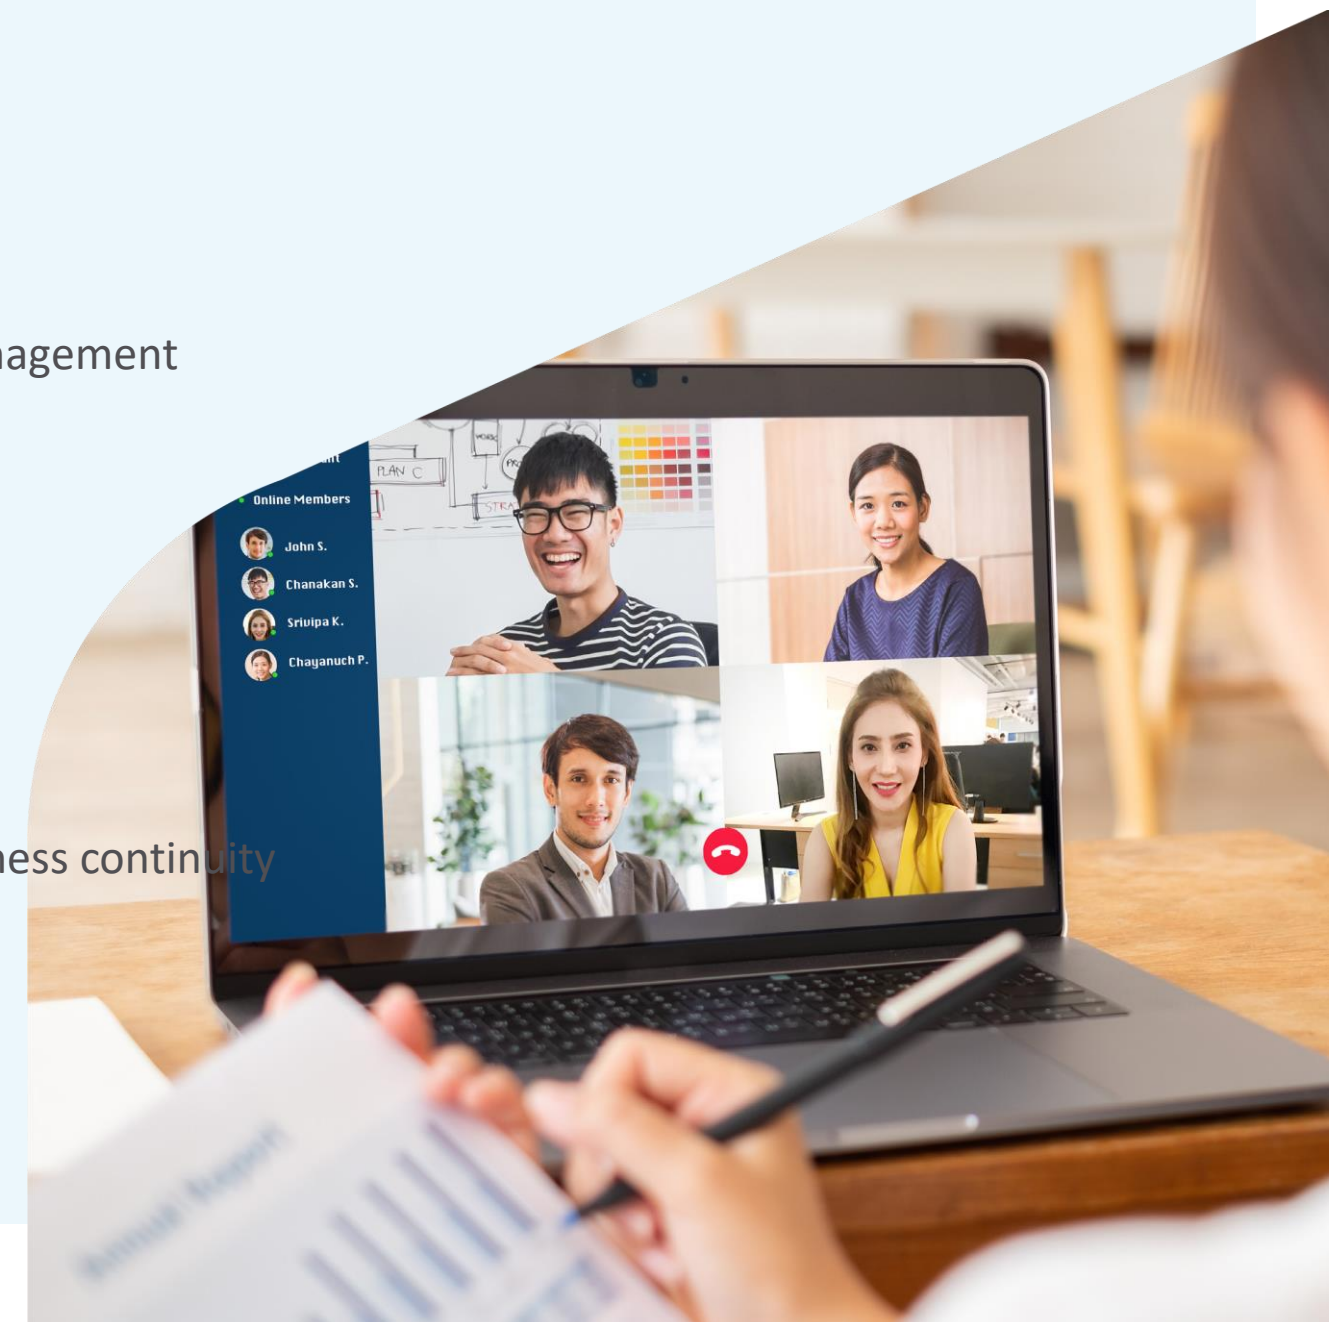

- AI in radiology department
- Computed tomography
- MR elastography
- Updates in neuroradiology

• CSSD/Patient safety

- Achieving excellence in CSSD management
- 2P safety goal
- Automation and reprocessing

• BUSINESS TALKS

- Healthcare procurement
- Hospital management
- Updates on medical devices business continuity

Benefits of attending

- Learn and apply tailored quality control plans in your laboratory to avoid common pitfalls and improve results
- Eliminate testing deficiencies to ensure consistent and accurate results that improve patient's outcome
- Discuss standardisation of lab services
- Describe COVID-19 challenges and lessons learned by healthcare professionals
- Review pandemic preparedness
- Discuss healthcare professional's safety
- Review updates in CSSD policies and procedures to ensure compliance
- Determine the best use of patient data and IT tools to improve patient safety
- Assess the evolving role of radiographers in diagnoses
- Identify the role of AI in imaging
- Determine benefits of AI technology
- Explore healthcare investment opportunities in South East Asia
- Review government regulations and standard policies in procurement
- Discuss innovation in healthcare service models

Who attends

- Heads of lab
- Chiefs of lab
- Laboratory Managers

- Laboratory Technologists
- Laboratory Technicians

- Pathologists
- Immunologists
- Clinical Chemists
- Clinical Microbiologists
- Haematologists
- Clinical Scientists

- Radiologists
- Radiographers

- Infection Control Managers/Coordinators
- CSSD Managers/Supervisors/ Technicians
- Nurses

- Dealers & Distributors
- Hospital Managers
- Procurement Managers
- Medical Devices Sales Managers
- Healthcare business owners

Scientific Committee

- **Prof Nisarath Opartkiattikul**, President, **Thai Society of Clinical Pathology**; Associate Professor of Department of Clinical Pathology, **Faculty of Medicine Siriraj Hospital Mahidol University, Thailand**
- **Dr Navapun Charuruks**, Thai clinical pathologist, Educator; Diplomat, **Thai Board Clinical Pathology, National Blood Center, Thai Red Cross, Thailand**
- **Dr Mongkol Kunakorn**, Deputy Head, Department of Pathology, **Faculty of Medicine-Ramathibodi Hospital, Mahidol University, Bangkok, Thailand**
- **Assoc Prof Busadee Pratumvinit**, Faculty, Department of Clinical Pathology, Faculty of Medicine, **Siriraj Hospital, Mahidol University, Bangkok, Thailand**
- **Prof Nattiya Hirankarn**, Chair, Clinical Microbiology, Department of Microbiology, Faculty of Medicine, **Chulalongkorn University, Bangkok, Thailand**
- **Dr Suwatchareeporn Rotcheewaphan**, Director of the Mycobacteriology Laboratory, Department of Microbiology, Faculty of Medicine, **Chulalongkorn University, Bangkok, Thailand**
- **Dr Naravat Pongvarin**, Faculty of Medicine, **Siriraj Hospital, Mahidol University, Bangkok, Thailand**
- **Asst Prof Phandee Watanaboonyongcharoen**, Medical Director, Department of Laboratory Medicine, **Chulalongkorn University, Bangkok, Thailand**

Scientific Committee

- **Preecha Bhandtvej**, President, **Thai Medical Device Technology Industry Association, Thailand**
- **Nanthipha Sirijindadirat**, President, **Central Sterilizing Services Association, Thailand**
- **Dr Napapong Pongnapang**, Head, Department of Radiological Technology, Faculty of Medical Technology, **Mahidol University, Siriraj Hospital, Thailand**

Medlab Asia

Day 1 | Tuesday, 20 October 2020

Medlab Asia Track 1

09:00 – 10:00 **Panel discussion: Lab and pandemic management - Lessons learned**
Moderator: Dr Navapun Charuruks, Thai clinical pathologist, Educator; Diplomat, Thai Board Clinical Pathology, National Blood Center, **Thai Red Cross, Bangkok, Thailand**

Panelists:
Prof Aw Tar Choon, Senior consultant and Director of Chemical Pathology, Department of Laboratory Medicine, **Changi General Hospital, Singapore**
Carlo Kaabar, Laboratory Manager, **Al Qassimi Women & Children Hospital, Sharjah, United Arab Emirates**
Dr Januario Veloso, Consultant Hematopathologist, Department of Pathology, UP College of Medicine and the Philippine General Hospital, **Manila, Philippines**
Dr Mongkol Kunakorn, Head, Department of Pathology, **Faculty of Medicine- Ramathibodi**

10:30 – 11:30 **Application of AI & big data to the medical lab, how to do and is it time?**
Speaker: Prof Ricardo Pais, Data Scientist, **MAPSciences, Lisbon, Portugal**
Moderator: Dr PK Menon, Director, Healthcare Management, **CALM Worldwide FZE, Dubai, UAE**

12:00 – 13:00 **Networking break**

15:00 – 16:00 **Road to zero cases – Vietnam**

16:30 – 17:30 **Lessons learned from successful management of COVID-19 in Thailand**
Speaker: Dr Tanarak Plipat, Deputy Director General, **Department of Disease Control, MOPH, Thailand**

15:30 **End of day 1**

Medlab Asia Track 2

10:30 – 11:30 **Keynote**
Surveillance systems in a pandemic
Speaker: Dr Indumathi Venkatachalam, Consultant, Infectious Diseases, **Singapore General Hospital, Singapore**

12:00 – 13:00 **Networking break**

13:30 – 14:30 **ICAP Updates – Netherlands and Japan**
ICAP: From HEp-2 IIFA pattern definition towards clinical relevance
Speaker: Jan Damoiseaux, Laboratory specialist, Medical Immunology, **Central Diagnostic Laboratory, Maastricht UMC, Maastricht, The Netherlands**

Rare patterns of ANA and approach to ICAP standardization in Japan
Speaker: Prof Tsuneyo Mimori, Professor, Department of Rheumatology and Clinical Immunology, Graduate School of Medicine, **Kyoto University, Kyoto, Japan**

Moderator: Dr Mongkol Kunakorn, Head, Department of Pathology, **Faculty of Medicine- Ramathibodi Hospital, Mahidol University, Bangkok, Thailand**

15:30 **End of day 1**

Medlab Asia

Day 2 | Wednesday, 21 October 2020

Medlab Asia Track 1

09:00 – 10:00 **A survey of point-of-care testing in three emergency medical services: Air ambulances, a stroke ambulance, and community paramedicine**
Speaker: Assoc Clinical Prof Anna K. Füzéry, Professor, Department of Laboratory Medicine and Pathology, **University of Alberta, Edmonton, Alberta, Canada**
Moderator: Asst/Prof Wanvisa Treebuphachatsakul, Asst Professor, Department of Medical Technology, Faculty of Allied Health Sciences, **Naresuan University, Phitsanulok, Thailand**

1030 -1130 **Interpretation of laboratory results – Development of an interpretive service for the laboratory**
Speaker: Prof. James H. Nichols, Professor of Pathology, Microbiology and Immunology, Department of Pathology, **Vanderbilt University Medical Center, USA**
Moderator: Assoc Prof Busadee Pratumvinit, Assoc Professor, Department of Clinical Pathology, Faculty of Medicine, **Siriraj Hospital, Mahidol University, Thailand**

12:00 – 13:00 **Networking break**

13:30 – 14:30 **Utility of the 1-hour vs 3-hour high-sensitivity cardiac troponin algorithm**
Speaker: A/Prof Chien-Chang Lee, Asst Professor, Department of Emergency Medicine, **National Taiwan University Hospital, Taipei, Taiwan**
Moderator: Asst/Prof Kanit Reesukumal, Asst Professor, Department of Clinical Pathology, Faculty of Medicine Siriraj Hospital, **Mahidol University, Bangkok, Thailand**

15:00 – 16:00 **Challenges of diagnosing COVID-19 in low prevalence settings**
Speaker: Prof Gerald J. Kost, Professor Emeritus, Pathology and Laboratory Medicine **University of California Davis, Davis, California, USA**

Medlab Asia

Day 2 | Wednesday, 21 October 2020

Medlab Asia Track 2

13:30 – 14:30

NGS for infectious disease

Speaker: Dr Vincent Escuyer, Director, Mycobacteriology Laboratory, **Wadsworth Center, Department of Health, Albany, New York, USA**

Moderator: Dr Suwatchareeporn Rotcheewaphan, Head of Mycobacteria Laboratory, Department of Microbiology, **Chulalongkorn University, Bangkok, Thailand**

15:00 – 16:00

Clinical Microbiology Panel Discussion: Updates in COVID situations and diagnostic tools

Moderator: Dr Pokrath Hansasuta, Head of Virology Unit, Department of Microbiology, Faculty of Medicine, **Chulalongkorn University, Bangkok, Thailand**

Panelists:

Dr Sharon Yvette Angelina Villanueva, Associate Professor, College of Public Health, **University of the Philippines, Manila, Philippines**

Dr Wael Faroug Mohamed Elamin, Consultant Clinical Microbiologist and Infection Control Doctor, **King's College Hospital, Dubai, UAE**

Prof Ida Parwati, President, **Indonesian Society of Clinical Pathology and Laboratory Medicine, Bandung, Indonesia**

Clinical Pathology and Laboratory Medicine, Bandung, Indonesia

Dr Surakameth Mahasirimongkol, Director, Genomics Medicine and Innovation Support, Department of Medical Sciences, **Ministry of Public Health, Nonthaburi, Thailand**
